NEW TEA CULTURE · MYKOLAIV

First store in development / Southern Ukraine

Build the first. Design for more.

The founder can fund the first store. A partner can add location access, operating perspective and regional connections.

≈ \$50,000 / 35-40 m²

Three scenarios. The same formula.

[[ASSUMPTION: 30 trading days/month; ingredients and packaging 56 ₴/cup; transaction fees 3%; rent 55 000 ₴; fully loaded staffing 210 000 ₴; other fixed costs 120 000 ₴/month; initial funding 2 100 000 ₴; illustrative FX 42 ₴/\$, not a live exchange rate.]]

Gross margin excludes labor and occupancy. Contribution deducts direct cost and transaction fees. EBITDA deducts rent, staffing and other fixed costs. Payback divides initial funding by steady-state EBITDA: it excludes ramp-up, financing, tax, depreciation, replacement capex and working-capital changes. EBITDA is not distributable cash.
